**Bottoms Up** Etienne,2019-05-15 RN First Assistant Chris Bottoms enjoys being a bottom. Though abused by his stepfather as a boy and conditioned to enjoy sex only one particular way, he's come to make the most of his life. And he enjoys bottoming to the hilt whenever and wherever he can.As if colorectal cancer wasn't enough of a trial, the subsequent botched surgery robs him of normal bodily functions no more prostate massage for Chris. In the middle of his medical drama, his best friend, Mickey O'Donovan, accepts a promotion that brings him to live in Jacksonville. Roommates in college, they've remained friends and occasional fuck buddies ever since. Chris's crisis brings their relationship to a new level, though, and long-suppressed feelings are revealed.Chris and Mickey settle down together and life is good, even though they can no longer indulge in their favorite sexual position. But Chris can't seem to catch a break. When his past rears its head, Chris and Mickey must face a new challenge, together.

Bottoms Away Etienne,2019-05-08 Chris Bottoms is glad to be home from undergoing the first of two surgeries that will free him from the ostomy bag he's been wearing for more than a year. He's anxious about the upcoming second surgery, but life is keeping him on his toes.The bank hierarchy is clearly grooming Chris's partner, Mickey O'Donovan, vice president of a megabank, for a promotion. That doesn't help reconcile the family who turned their backs on Mickey for not going into the family business. To make matters worse, Chris's little brother's abusers are still out there, and that makes Chris angry. He and Mickey are raising Ted now. Between dealing with spiteful relatives and doing their best by a hurt ten-year-old boy, Chris and Mickey wonder how much more reality they can take.Chris's second and final surgery can't come soon enough. Both men are looking forward its most important side-effect-Chris will once again be able to enjoy prostate massage, but not until three months after the surgery.
