White Men Can't Hump (As Good As Black Men) Todd Wooten,2006-10 White Men Can't Hump is a book of hope. The hope is that one day Black Men in America will no longer be viewed as unintelligent, unattractive, undesirable, uncivilized, and just plain old worthless. White Men Can't Hump will address why Black Men in America are perceived in such a negative way, and will also explore the origins of this negativity. White Men Can't Hump will also explore how this negativity has been spread for the last four centuries (a la stereotypes), and why this negativity has been spread (a la Fear of the Black Penis). Several of these so-called negative Stereotypes will be closely examined and shown in a new light. White Men Can't Hump will ask why two well known Stereotypes that have been historically assigned to Black Men, are only considered negative when applied to Black Men. Most men desire a large Penis and an elevated sexual prowess, but all across America (in offices, bars and locker rooms) the Black Penis and Black Prowess are routinely the Punch Line to jokes. White Men Can't Hump will ask why, and will also ask a question that will create a debate for the ages: Who's better in bed, Black Men or White Men? White Men Can't Hump will take you the reader on an educational and enlightening journey through America's past and present with the hope of changing America's future. So sit back and enjoy or cuss, agree or disagree, and most importantly think with an open mind. Because whether you like it or not, White Men Can't Hump tells the story of who all of us are, where we've come from, and where we're going. White Men Can't Hump is divided into two VOLUMES. VOLUME I focuses on how Sex has historically affected Race relations in America, and VOLUME II focuses on how Race has affected Sex relations in America. Don't be confused by the similar titles because both VOLUMES pack a different Sexual, Racial, Political, and Social punch. We Real Cool bell hooks,2004-08-02 When women get together and talk about men, the news is almost always bad

news, writes bell hooks. If the topic gets specific and the focus is on black men, the news is even worse. In this powerful new book, bell hooks arrests our attention from the first page. Her title--We Real Cool; her subject--the way in which both white society and weak black leaders are failing black men and youth. Her subject is taboo: this is a culture that does not love black males: they are not loved by white men, white women, black women, girls or boys. And especially, black men do not love themselves. How could they? How could they be expected to love, surrounded by so much envy, desire, and hate?

Men in Underwear Sexydaddybooks,2019-06-06 A fun look at men in their undies presented in a very nice sexy photo journal.

Fashionable Masculinities Vicki Karaminas,Adam Geczy,Pamela Church Gibson,2022-07-15 Fashionable Masculinities explores the expression of masculinities through constructions of fashion, identity, style and appearance as the third decade of the new millennium begins: a contradictory and precarious moment when masculinities are defined by protests and pandemics whilst being problematized across class, ethnicity, race, gender and sexuality. Whilst a majority of men might still define themselves as 'traditional,' post-millennials are now talking about how they envision a future without gender boundaries and borders. Rather than being defined as a gender, masculinity has now become a style that can be worn and performed as traditional and normative codes of masculinity are modulated and manipulated. This volume includes original essays on musical pop sensation Harry Styles, rapper and producer "Puff Daddy" Sean Combs, lumbersexuals, spornosexuals, sexy daddies, and aging cool black daddies. Bringing together contributions from leading scholars, this book interrogates and challenges the meaning of masculinities and the ways that they are experienced and lived.

MEN WOMEN PB Claudia Brush Kidwell,Valerie Steele,1989-03-17 Explores the relationship between changes in fashion and ideas about masculinity and femininity. Among the subjects covered here are sports uniforms, work clothes, children's clothes. Many contemporary illustrations, a few in color. --

Hung Scott Poulson-Bryant,2011-02-23 A brilliant look at the pervasive belief that African American men are prodigiously endowed, from the author's own experiences to sharp analysis of how black male sexuality is expressed in art, literature, media, sports, and pornography "Scott really goes there, talking honestly and telling secrets about the black phallus and its, uh, massive impact on America." —Touré "Hung" is a double entendre, referring not only to penis size but to the fact that black men were once literally hung from trees, often for their perceived sexual prowess and the supposed risk it posed to white women. As a poignant reminder, Scott Poulson-Bryant begins his book with a letter to Emmett Till, the teenager who was lynched in Mississippi in the mid-1950s for whistling at a white woman. For Poulson-Bryant and other men of his generation, society's deep-seated obsession with the sexual powers of black men has had an enormous, if often

deceptive, influence on how they perceive themselves and on the assumptions made by others. His tales of his sexual encounters with both sexes, along with anecdotes about the lives of various friends and colleagues, are wryly and at times shockingly revealing. Enduring racial perceptions have shaped popular culture as well, and Poulson-Bryant offers a thorough, thought-provoking look at media-created images of the “Well-Hung Black Male.” He deftly deconstructs movies like *Mandingo* and *Shaft*, articles in the popular press, and edgy works like Robert Mapplethorpe’s *Black Book*, while also providing distinctive profiles of icons like porn star Lexington Steele and rapper L.L. Cool J. A mixture of memoir and cultural commentary, *Hung* is the first book to take on phallic fixation and uncover what lies below.

Men of Color Lloyd Boston,2000-09-01 Wonderful reviews and word-of-mouth helped make the hardcover edition of this title--a unique celebration of African-American male fashion and style--a best-seller. *Essence* called it a testament to the creative spirit of Black men . . . filled with striking photographs of Black legends and insightful essays about the historical context of their apparel. With sleek photographs and a host of celebrity interviews, the special value hardcover edition captures the elegance of Nat King Cole, comfort of Bill Cosby, hip-hop style of LL Cool J, and sex appeal of Denzel Washington. Masterful Men of Color Kyle Cicero,2008 This is a world where sexy homophobic straight men discover that they are no match for the powerful mental games perfected by gay men of colour. Two Navy SEALs find their match in a sexy Arab who thinks they look 'tired'; Professor Grey uses hypnosis to educate his heterosexual graduate students; and more.

Men of the House: A B-Boy Blues Novel James Earl Hardy,2018-12-04 Things are definitely jood (better than good) for 15-year-old Raheim Errol Rivers, III. A senior at Brooklyn Technical High School, he's on track to become salutatorian of his graduating class. He's juggling early admissions offers from Yale, Harvard, and MIT. He's dating an older woman: 19-year-old New York University sophomore Maxine Max Edgewood. But the chocolate icing on his yellow layer cake is his father, Raheim Errol Rivers, Jr., and godfather, Mitchell Crawford, reuniting after four years. Errol is ecstatic when Raheim moves back in with he, Mitchell, and Mitchell's five-year-old daughter, Destiny. But he soon discovers that making room for another Rivers man in their home is easier said than done.
