A Cultural History of Color in Antiquity David Wharton,2022-08-31 A Cultural History of Color in Antiquity covers the period 3000 BCE to 500 CE. Although the smooth, white marbles of Classical sculpture and architecture lull us into thinking that the color world of the ancient Greeks and Romans was restrained and monochromatic, nothing could be further from the truth. Classical archaeologists are rapidly uncovering and restoring the vivid, polychrome nature of the ancient built environment. At the same time, new understandings of ancient color cognition and language have unlocked insights into the ways - often unfamiliar and strange to us - that ancient peoples thought and spoke about color. Color shapes an individual's experience of the world and also how society gives particular spaces, objects, and moments meaning. The 6 volume set of the Cultural History of Color examines how color has been created, traded, used, and interpreted over the last 5000 years. The themes covered in each volume are color philosophy and science; color technology and trade; power and identity; religion and ritual; body and clothing; language and psychology; literature and the performing arts; art; architecture and interiors; and artefacts. David Wharton is Associate Professor of Classical Studies at the University of North Carolina at Greensboro, USA. Volume 1 in the Cultural History of Color set. General Editors: Carole P. Biggam and Kirsten Wolf

Refugee Alan Gratz,2017-07-25 The award-winning, #1 New York Times bestselling novel from Alan Gratz tells the timely--and timeless--story of three different kids seeking refuge. A New York Times bestseller! JOSEF is a Jewish boy living in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship bound for the other side of the world... ISABEL is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety in America... MAHMOUD is a Syrian boy in 2015. With his homeland torn apart by violence and destruction, he and his family begin a long trek toward Europe... All three kids go on harrowing journeys in search of refuge. All will face unimaginable dangers -- from drownings to bombings to betrayals. But there is always the hope of tomorrow. And although Josef, Isabel, and Mahmoud are separated by continents and decades, shocking connections will tie their stories together in the end. As powerful and poignant as it is action-packed and page-turning, this highly acclaimed novel has been on the New York Times bestseller list for more than four years and continues to change readers' lives with its meaningful takes on survival, courage, and the quest for home.
