World Clothing and Fashion Mary Ellen Snodgrass,2015-03-17 Taking a global, multicultural, social, and economic perspective, this work explores the diverse and colourful history of human attire. From prehistoric times to the age of globalization, articles cover the evolution of clothing utility, style, production, and commerce, including accessories (shoes, hats, gloves, handbags, and jewellery) for men, women, and children. Dress for different climates, occupations, recreational activities, religious observances, rites of passages, and other human needs and purposes - from hunting and warfare to sports and space exploration - are examined in depth and detail. Fashion and design trends in diverse historical periods, regions and countries, and social and ethnic groups constitute a major area of coverage, as does the evolution of materials (from animal fur to textiles to synthetic fabrics) and production methods (from sewing and weaving to industrial manufacturing and computer-aided design). Dress as a reflection of social status, intellectual and artistic trends, economic conditions, cultural exchange, and modern media marketing are recurring themes. Influential figures and institutions in fashion design, industry and manufacturing, retail sales, production technologies, and related fields are also covered.

Refugee Alan Gratz,2017-07-25 The award-winning, #1 New York Times bestselling novel from Alan Gratz tells the timely--and timeless--story of three different kids seeking refuge. A New York Times bestseller! JOSEF is a Jewish boy living in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship bound for the other side of the world... ISABEL is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety in America... MAHMOUD is a Syrian boy in 2015. With his homeland torn apart by violence and

destruction, he and his family begin a long trek toward Europe... All three kids go on harrowing journeys in search of refuge. All will face unimaginable dangers -- from drownings to bombings to betrayals. But there is always the hope of tomorrow. And although Josef, Isabel, and Mahmoud are separated by continents and decades, shocking connections will tie their stories together in the end. As powerful and poignant as it is action-packed and page-turning, this highly acclaimed novel has been on the New York Times bestseller list for more than four years and continues to change readers' lives with its meaningful takes on survival, courage, and the quest for home.
