Jain Paintings and Material Culture of Medieval Western India Lipika Maitra,2023-08-31 Through a curated collection of key Jain paintings, this volume offers a glimpse into the way people lived in western India during the medieval times: What

they wore, how they ornamented themselves, what they amused themselves with, what furniture they sat on, which modes of transport they used. It includes Jain paintings from various collections in India and abroad to underscore the value of pictorial evidence in piecing together the past. The book takes the reader on a breath-taking visual journey through the varied costumes, exquisite textiles, handcrafted ornaments, curiously shaped vessels and containers, musical instruments, arms and armour, conveyances, and many such articles of everyday use. These articles of everyday use are corroborated with the descriptions left by foreign travellers passing through western India at that time. It explores contemporary lexicons and vernacular literature from this period, for possible names in vogue for the articles of Material Culture. The work is richly illustrated with line drawings by the author to highlight the objects being referred to. What comes across clearly through this book is that art is the mirror of the times, and as such, paintings reflect the society in which they are created. A magnificent read, this book will be essential for scholars and researchers of Indian painting, art history, Indian art, arts and aesthetics, Jainism, visual arts, South Asian history, Indian history, heritage studies and cultural history. It will also be a must-have for history and visual arts enthusiasts all over the world.

Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.
