

Bottoms Womenmaterial149

Ayana Byrd, Akiba Solomon

Naked Ayana Byrd, Akiba Solomon, 2005-08-02 Provocative essays on body image by black women. Candid, witty, and insightful, *Naked* is a compelling collection of essays that captures what today's black women think about their bodies—from head to toe. Tackling such issues as hair texture, skin color, weight, and sexuality, it follows women on their paths to acceptance and enjoyment of their unique features...to a place where it doesn't matter how big the breasts or how long the legs, only what is in the heart. Includes contributions from women of all ages and walks of life, including such notables as: - Iyanla Vanzant - Jill Scott - Kelis - Tracee Ellis Ross - Jill Nelson - Hilda Hutcherson - asha bandele - Melyssa Ford Edited by Ayana Byrd and Akiba Solomon Foreword by Sonia Sanchez

Recovering the Black Female Body Michael Bennett, Vanessa D. Dickerson, 2001 *Recovering the Black Female Body* recognizes the pressing need to highlight through scholarship the vibrant energy of African American women's attempts to wrest control of the physical and symbolic construction of their bodies away from the distortions of others.

Underneath It All Amber J. Keyser, 2018-03-01 For most of human history, the garments women wore under their clothes were hidden. The earliest underwear provided warmth and protection. But eventually, women's undergarments became complex structures designed to shape their bodies to fit the fashion ideals of the time. In the modern era, undergarments are out in the open, from the designer corsets Madonna wore on stage to Beyoncé's pregnancy announcement on Instagram. This feminist exploration of women's underwear reveals the intimate role lingerie plays in defining women's bodies, sexuality, gender identity, and body image. It is a story of control and restraint but also female empowerment and self-expression. You will never look at underwear the same way again.

An Intimate Affair Jill Fields, 2007-07-02 Intimate apparel, a term in use by 1921, has played a crucial role in the development of the naughty but nice feminine ideal that emerged in the twentieth century. Jill Fields's engaging, imaginative, and sophisticated history of twentieth-century lingerie tours the world of women's intimate apparel and arrives at nothing less than a sweeping view of twentieth-century women's history via the undergarments they wore. Illustrated throughout and drawing on a wealth of evidence from fashion magazines, trade periodicals, costume artifacts, Hollywood films, and the records of organized labor, *An Intimate Affair* is a provocative examination of the ways cultural meanings are orchestrated by the fashion-industrial complex, and the ways in which individuals and groups embrace, reject, or derive meaning from these

everyday, yet highly significant, intimate articles of clothing.

Bitch Elizabeth Wurtzel, 1999-05-18 From the author of the bestselling Prozac Nation comes one of the most entertaining feminist manifestos ever written. In five brilliant extended essays, she links the lives of women as demanding and disparate as Amy Fisher, Hillary Clinton, Margaux Hemingway, and Nicole Brown Simpson. Wurtzel gives voice to those women whose lives have been misunderstood, who have been dismissed for their beauty, their madness, their youth. *Bitch* is a brilliant tract on the history of manipulative female behavior. By looking at women who derive their power from their sexuality, Wurtzel offers a trenchant cultural critique of contemporary gender relations. Beginning with Delilah, the first woman to supposedly bring a great man down (latter-day Delilahs include Yoko Ono, Pam Smart, Bess Myerson), Wurtzel finds many biblical counterparts to the men and women in today's headlines. She finds in the story of Amy Fisher the tragic plight of all Lolitas, our thirst for their brief and intense flame. She connects Hemingway's tragic suicide to those of Sylvia Plath, Edie Sedgwick, and Marilyn Monroe, women whose beauty was an end, ultimately, in itself. Wurtzel, writing about the wife/mistress dichotomy, explains how some women are anointed as wife material, while others are relegated to the role of mistress. She takes to task the double standard imposed on women, the cultural insistence on goodness and society's complete obsession with badness: what's a girl to do? Let's face it, if women were any real threat to male power, Jennifer Flowers would be sitting behind the desk of the Oval Office, writes Wurtzel, and Bill Clinton would be a lounge singer in the Excelsior Hotel in Little Rock. *Bitch* tells a tale both celebratory and cautionary as Wurtzel catalogs some of the most infamous women in history, defending their outsize desires, describing their exquisite loneliness, championing their take-no-prisoners approach to life and to love. Whether writing about Courtney Love, Sally Hemings, Bathsheba, Kimba Wood, Sharon Stone, Princess Di--or waxing eloquent on the hideous success of *The Rules*, the evil that is *The Bridges of Madison County*, the twisted logic of *You'll Never Make Love in This Town Again*--Wurtzel is back with a bitchography that cuts to the core. In prose both blistering and brilliant, *Bitch* is a treatise on the nature of desperate sexual manipulation and a triumph of pussy power.

Breasts Carolyn Latteier, 1998 *Breasts: The Women's Perspective on an American Obsession* describes and explores our national breast fetish, which is defined as a culturally constructed obsession that is deeply interwoven with beauty standards, breastfeeding practices, and sexuality. By tracing the complex history of this erotic fascination and discovering how it affects men's and women's sexuality and their relationships, this book will help women accept their breasts as they are and provide male readers with insight into how women think and feel about their bodies. This awareness will enable them to better understand and empathize with women's experiences as objects of a cultural fetish. Focusing on adult joys and anxieties about breasts, sex, and breastfeeding, this text uses research and expert opinions from several different fields, including psychology, anthropology, sociology, mythology, and sexology. You will find several other issues in *Breasts: The Women's Perspective on an American Obsession* that involve men's and women's struggles with this obsession, such as: breast

implants human psychology and breasts beauty standards and breast sexuality how breasts are portrayed in mythology and art how ancient religions saw the breast as a sign of motherhood and giver of life breast men debates on how and why the breast evolved adolescent girls and breasts breast activists, such as La Leche League, who are proponents of breastfeeding in public Through personal interviews with men and women, *Breasts: The Women's Perspective on an American Obsession* also addresses women's pride and shame about their breasts and their confusion about the attention their breasts receive. Ultimately, this exploration of breast obsession sheds light on our society's general fear of and ambivalence toward women's bodies. *Breasts: The Women's Perspective on an American Obsession* shows you that breasts have a venerable history and urges you to see beyond the contemporary standards of visual perfection to give you an overall sense of the female body's power and worth.

Trappings Tiffany Ludwig, Renee Piechocki, 2007 The authors embark on an interview journey across the U.S. They talked with more than 500 women and girls, ages four through ninety-two who ranged from office workers to drag-kings, stay at home moms to attorneys.

Shadow on a Tightrope Lisa Schoenfelder, Barb Wieser, 1983 This now-classic collection of articles, personal stories, and poems by fat women about their lives and the fat-hating society in which we live. *Shadow on a Tightrope* also includes material previously distributed by Fat Liberation Publications.--BOOK JACKET.

Bare Elisabeth Eaves, 2002 It began when she was a teenager with an awareness of her body and the reaction other people had to it. It continued with the realization that women's bodies often gave them a strange power over men. As an adult, it became a fascination with professional sex workers, leading to a plunge into their world. And when Elisabeth Eaves left the world of peep shows and private dancers for the more socially acceptable career of international journalism, she found she could not put that fascination behind her. Her experiences had left her with too many questions and too few answers. So she returned to the world she had left behind. Now, in this candid and insightful book, she recounts her firsthand experience of stripping and gives us a new understanding of women's sexuality and contemporary sexual mores. *Bare* follows the author and her fellow dancers through Seattle strip clubs and bachelor parties, exploring in riveting detail Eaves's own motivations and behavior, as well as those of her coworkers, as they make their way through the sometimes exhilarating, often disturbing world of stripping. Grounded in an understanding of the intricate dynamics of exchanging sexual services for money, Eaves's narrative examines the ways in which the work affects the women: how they negotiate the slippery boundaries between their jobs and their "real" lives; how their personal relationships are altered; how they reconcile themselves—or don't—to the stereotypes that surround their profession; whether the work is exploitative or empowering or both. In its unstinting honesty, *Bare* demands that we take a closer look at the way sexuality is viewed in our culture; what, if anything, constitutes "normal" desire; the ethics of swapping money—or anything else—for sex; and how women and men

navigate the perilous contradictions and double standards that make up today's socio-sexual conventions. The stories Eaves tells—outrageous, funny, sad, and deeply affecting—provide an engrossing and unforgettable look at a group of women who have a lot to reveal, not only about one of America's largest and most taboo industries, but about the restrictions, joys, and hypocrisies of the world in which we all live.

See Me Naked Tara T. Green,2022-02-11 Lena Horne, Moms Mabley, Yolande DuBois, and Memphis Minnie were Black women who, despite their public profiles, discovered ways to enjoy pleasure in their public and private lives. *See Me Naked* looks at these women as representative of Black women who were watched, criticized, and judged by their families, peers, and, in some cases, the government. Despite the pressures of respectability, they lived extraordinary lives.

Longing to Tell Tricia Rose,2004-04 In this book, Tricia Rose breaks the silence by presenting, for the first time, the in-depth sexual testimonies of black women. Spanning a broad range of ages, levels of education, and socioeconomic backgrounds, nineteen women, in their own words, talk with startling honesty about sex, love, family, relationships, body image, and intimacy. Their moving stories provide revealing insights into the many ways black women navigate the complex terrain of sexuality. Compelling, surprising, and powerful, *Longing to Tell* is sure to jump-start a dialogue and will be required reading for anyone interested in issues of race, gender, and sexuality.--BOOK JACKET.

The Women: Black Stockings 362 Opal Ingram,

Unscrewed Jaclyn Friedman,2017-11-14 An urgent account of sexual politics, feminism, and the rules of power in America-and a potent vision for the way forward As a veteran feminist and agenda-setting sex educator, Jaclyn Friedman is on the frontlines of the war for equity between the sexes. In *Unscrewed*, Friedman brings her sharp expertise and incisive observations on the state of sexual politics to the fore, sparking a culture-wide rethink about sex, power and what we accept. With reportage and verve, *Unscrewed* builds a searing investigation into the state of sexual power in America, and outlines how to make real progress toward equality. Friedman reveals that the anxiety and fear women in our country feel around issues of their sexuality are not, in fact, their fault, but instead are side effects of what she calls our era of fauxpowerment, wherein women have the illusion of sexual power, with no actual power to support it. Exploring the fault lines where media, religion, politics, and education impinge on our intimate lives, *Unscrewed* breaks down the causes and signs of fauxpowerment, then gives readers tools to take it on themselves.

Dirty Girls Gillian Telling,2010-09-01 *The Naked Truth Isn't Always Pretty.* A no-holds-barred look at the hilarious underbelly of what it means to be female, *Dirty Girls* lays bare the secrets of the fairer sex. Women don't come from a different planet than men. In fact, both sexes want the exact same things: success, friendships, semifunctional families, semifunctioning relationships, good bodies, and lots and lots of great sex. But there's more. Even though we pluck, we wax, and we put on war paint to mask our blemishes, we also regularly watch porn. We wear our bikini bottoms when we run out

of clean underwear. When we're alone, we eat Cheetos and peanut butter on a spoon for dinner. Women are fascinating, beautiful, and, yes, disgusting creatures, and we shouldn't be ashamed of it. *Dirty Girls* exposes the filthy, lazy, fabulous truth that everything boys can do, girls can do better.

Ambitious Women Barbara Sjöholm, 1982 *Ambitious Women* is about making a living, making love and making decisions. The story of three women caught in the everyday demands of work, family, friendship, and their confrontation with violence against women, terrorism, and the grand jury's right to investigate, this novel takes on the issues of contemporary feminism.--Publisher's description.

Romance with Voluptuousness Kamille Gentles-Peart, 2016-10-01 Offering a unique vantage point from which to view black women's body image and Caribbean migration, *Romance with Voluptuousness* illuminates how first- and second-generation immigrant black Caribbean women engage with a thick body aesthetic while living in the United States. Using personal accounts, *Romance with Voluptuousness* examines the ways in which black women with heritage in the English-speaking Caribbean participate in, perpetuate, and struggle with the voluptuous beauty standard of the black Caribbean while living in the hegemony of thinness cultivated in the United States. It highlights how black Caribbean women negotiate issues of body image deriving from both Caribbean and American pressures to maintain a particular body shape and contend with discourses and practices surrounding the body that aim to marginalize and exclude them from economic, social, and political spaces. By focusing on diasporic Caribbean women's romance with voluptuousness, Kamille Gentles-Peart explores the transnational flow of beauty ideals and examines how ideas about beauty in the Caribbean diaspora help to shape the experiences of Caribbean black women in the United States.

Obscene Gestures for Women Janet Kauffman, 1989 One of the most important rural women writers, Janet Kauffman, presents this collection of fifteen stories of a world that is succumbing to the ceaseless erosion of what is tender, innocent, natural, and true.

Dirty Looks Pamela Church Gibson, Roma Gibson, 1993 No Marketing Blurp

The Sexual Mountain and Black Women Writers Calvin C. Hernton, 1987 A bold exploration of the controversial role that black women writers have played in the making of African-American literature from the best selling author of *SEX AND RACISM IN AMERICA*.

Venus in the Dark Janell Hobson, 2013-10-18 Western culture has long been fascinated by black women, but a history of enslavement and colonial conquest has variously labeled black women's bodies as exotic and grotesque. In this remarkable cultural history of black female beauty, Janell Hobson explores the enduring figure of the Hottentot Venus. In 1810, Saartjie Baartman was taken from South Africa to Europe, where she was put on display at circuses, salons, and museums and universities as the Hottentot Venus. The subsequent legacy of representations of black women's sexuality—from Josephine

Baker to Serena Williams to hip-hop and dancehall videos-continues to refer back to this persistent icon. This book analyzes the history of critical and artistic responses to this iconography by black women in contemporary photography, film, literature, music, and dance.

The Captivating Realm of Kindle Books: A Comprehensive Guide Revealing the Pros of Kindle Books: A Realm of Ease and Flexibility E-book books, with their inherent mobility and simplicity of access, have freed readers from the limitations of physical books. Gone are the days of lugging cumbersome novels or meticulously searching for specific titles in shops. Kindle devices, sleek and portable, seamlessly store an wide library of books, allowing readers to indulge in their favorite reads anytime, everywhere. Whether commuting on a bustling train, lounging on a sunny beach, or simply cozying up in bed, Kindle books provide an unparalleled level of ease.
