Cool Shades Vanessa Brown, 2014-12-18 *Cool Shades*. provides the first in-depth exploration of the enduring appeal of sunglasses in visual culture, both historically and today. Ubiquitous in fashion, advertising, film and graphic design, sunglasses are the ultimate signifier of 'cool' in mass culture; a powerful attribute pervading much fashion and pop cultural imagery which has received little scholarly attention until now. Accessible and highly engaging, this book offers an original history of how sunglasses became a fashion accessory in the early twentieth century, and addresses the complex variety of meanings they have the power to articulate, through associations with vision, light, glamour, darkness, fashion, speed and technology in the context of modernity. *Cool Shades* will be of great interest to students of fashion, design, visual and material culture, cultural studies and sociology, as well as general readers fascinated by this iconic fashion staple.

The Meaning of Sunglasses Hadley Freeman, 2008-01-31 With subscriptions nearing 1.2 million, *Vogue* magazine proves that if there's anything a fashionista enjoys as much as shopping, it's reading about fashion. With both an insider's relish and a layman's exasperation, *The Meaning of Sunglasses* offers an encyclopedia of style that celebrates the joys, the silliness, and the occasional insanity of this relentlessly fascinating world. Quick-witted and blisteringly self-aware, fashion journalist Hadley Freeman conjures her inner Bridget Jones to ask and answer the field's burning questions: just how much animal print is too much? What makes Karl Lagerfeld so nail-bitingly fabulous? How does one explain skinny jeans? Anyone with a slight to obsessive interest in fashion will revel in Freeman's gleeful, but always satirical, indulgence in all things fashion.

Sunglasses Mike Evans, 1996-11 This colorful book traces the dazzling history of shades' from their invention in 1885, and their first real mass-popularity, inspired by the Hollywood film stars of the 1930s; through the beatnik and existentialist looks of the 1950s, to the star-spangled, and wrap-around glasses in the 1960s -- and the ever-present all-black Ray Ban -- which went from being a Mod accessory to a true style classic. The book includes full-color and b&w photos of celebrities wearing sunglasses, and ads for sunglasses from past decades and from hot designers today such as Armani, Versace, and Calvin

Klein, who are vying for position at the top end of the market with specific glasses manufacturers.

Sunglasses After Dark Nancy A. Collins,2015-06-09 A half-human, half-vampire hunts the bloodsucker who bit her in this “compelling” Bram Stoker Award-winning debut (Publishers Weekly). One spring night in London, heiress Denise Thorne disappears while partying at a nightclub, never to be seen again. That very same night, Sonja Blue, a tough-as-nails punk vampire/vampire-slayer, conceived in terror and blood, is borne from the city’s gutters. Saved by modern medicine before she could die, she is a living vampire who still possesses a soul and is determined to fight for what remains of her humanity. In the years since her bizarre resurrection, Sonja Blue travels the globe, hunting down and disposing of those creatures that prey on the innocent while searching for the vampire Noble who created her. But when she investigates a sleazy televangelist named Catherine Wheele, who is exploiting Denise Thorne’s parents, Sonja finds herself up against a powerful inhuman adversary. But as dangerous as Catherine Wheele proves to be, Sonja’s greatest foe remains the Other, the demonic personality with whom she is locked in a constant battle for control of their shared body. Can Sonja Blue overcome her inner demon in time to rescue an innocent man from Catherine Wheele’s unholy clutches? Acknowledged as one of the first Urban Fantasy novels, *Sunglasses After Dark* burst onto the fantasy/horror scene in 1989, garnering widespread critical praise and winning the Horror Writers Association’s coveted Bram Stoker Award, as well as the British Fantasy Society’s Icarus Award. New edition: Revised and edited by the author.

3am Sunglasses Ukpiqk Waterpanther,2021-09-09 An angry young Native girl, torn from her family. Her sister is murdered in foster care, her brother missing. Tired of the sexual abuse, she strikes out against her abuser. After a legal struggle, she is emancipated at age 13, and told to be an adult. She does her best, trying to be traditional living in a city, trying to cope with PTSD, chronic anxiety, sex addiction, and mental breakdowns. This is her and her siblings story. Growing up, getting married, having kids, Filled with humor, romance, and odd random paranormal events, and loss, this story spans from teens to adults. Three kids, trying to make it in the city, and not forget about where they came from. Set in Alaska, against the most beautiful backdrop imaginable. Take a look at the reality of the messed up Alaska foster care system and its blatant abuse of children. Hector Turnsriver. An Athabaskan teen, he faces abandonment issues. His parents were not sober enough to keep him. At age three, he left his reservation, and was flown to Anchorage to live with his uncle and two cousins, who became his dad and brothers. Hector is a sweet guy that just wants to be loved for himself. He carves the prettiest wooden animals, tears up the dancefloor, and tries to keep it real traditional. As he grows, he and his friends try to find their way. coping with anxiety, generational trauma, and drug and alcohol abuse. Travis Silver. Yupik Native. He and his little sister were placed in foster care when their mom could not care for them. Also taken from their reservation, Travis fights off abusers and rapers with equal fury. Not caring if he gets hurt, his only goal is preventing his baby sister from being raped and beaten too. Travis and his sister make it out and get adopted into a rich white family. They do not want him participating in his culture or speaking his language. He is safe, and even loved with his new family, even if he always feels like an outsider. He is relieved he and his sister made it out, and live to fight another day. Travis also deals with anxiety, stress, and abandonment. Three Native kids in Alaska trying to make their way in the world, be normal kids. Three kids fighting colonization, the beautiful seduction of drugs and alcohol, Three lives inexorably bound through ties of love and friendship. Three lives and loves bigger than the universe. Love so pure, it would take more than one lifetime to explain. This is our story. *TRIGGER WARNINGS* This book contains graphic rape scenes, as well as lovemaking scenes. Not Just Sunglasses and Autographs Tommy Burke,2022-02-23 Not Just Sunglasses and Autographs is a captivating autobiography that follows the author's journey from bar bouncing in Boston to working on award-winning television shows and movies. This is an endearing story of overcoming the odds through dark humor, tenacity, authenticity, and happiness. Initially envisioned as a memoir about a man who had beaten Hodgkin's Lymphoma and lived to tell the tale, the author was then thrown a major curveball with a Parkinson's disease diagnosis. Equal parts pep-talk and gut-punch, this unvarnished and vulnerable memoir-meets-handbook shares lessons learned in life and work. These pages encourage readers to keep moving forward, embrace resilience, step out of their comfort zones, and take life head on.
