Cockpit Confidential Patrick Smith,2018-06-05 A New York Times bestseller For millions of people, travel by air is a confounding, uncomfortable, and even fearful experience. Patrick Smith, airline pilot and author of the popular website [www.askthepilot.com](http://www.askthepilot.com), separates fact from fallacy and tells you everything you need to know: • How planes fly, and a

revealing look at the men and women who fly them • Straight talk on turbulence, pilot training, and safety. • The real story on delays, congestion, and the dysfunction of the modern airport • The myths and misconceptions of cabin air and cockpit automation • Terrorism in perspective, and a provocative look at security • Airfares, seating woes, and the pitfalls of airline customer service • The colors and cultures of the airlines we love to hate COCKPIT CONFIDENTIAL covers not only the nuts and bolts of flying, but the grand theater of air travel, from airport architecture to in-flight service to the excitement of travel abroad. It's a thoughtful, funny, at times deeply personal look into the strange and misunderstood world of commercial flying. Patrick Smith is extraordinarily knowledgeable about modern aviation...the ideal seatmate, a companion, writer and explorer. —Boston Globe Anyone remotely afraid of flying should read this book, as should anyone who appreciates good writing and great information. —The New York Times, on ASK THE PILOT.

*The Girl at the Door* Veronica Raimo, 2019-10-08 An accusation of rape upsets a utopian island community in this “provocative, fiercely intelligent” Italian novel (Daily Mail, UK). When “The Crash” brought entire nations to their knees, the island society of Miden—a place dedicated to fairness and equality—rose like a phoenix from the wreckage. While on vacation in this oasis, a seemingly aimless woman meets an attractive man, and moves to the island to start a new life with him. Now six months pregnant, the woman is just beginning to feel comfortable in her lover’s space. But all that changes when a girl arrives to accuse the man of rape. Slight and pretty, the girl discloses a drawn out and violent affair she’s had with her professor, the father of the woman’s child. In alternating perspectives, the professor and his girlfriend reflect upon their own lives, each other, and their interloper. As their idyllic society grapples with the scandal, boundaries blur and alliances shift as reputation, truth, and self-preservation threaten to upend their relationship. Provocative and unnerving, *The Girl at the Door* explores the bureaucracy of a scandal, and the thin line between lust and possession.

*Holy Rollers* Rob Byrnes, 2011-11-01 When Grant Lambert and Chase LaMarca—partners in life and crime—learn that \$7 million in not-so-petty cash is hidden in the safe of a rightwing mega-church, they assemble a team of gay and lesbian criminals to infiltrate the church and steal the money. But this Gang That Can't Do Anything Straight quickly finds its plans complicated by corrupt congressmen (and their gay aides); an “ex-gay” conference; an FBI investigation; the unexpected appearance of a long-lost relative; and—most jarring for these born-and-bred New Yorkers—life in the northern Virginia suburbs. And then there is Dr. Oscar Hurley—founder of the church—and his right-hand man, the Rev. Dennis Merribaugh, who prove themselves every bit as adept as the professionals when it comes to larceny...

*Love. Set. Match.* Taylor Lunsford, 2019-08-28 Emerson Grace has rallied her way through the ranks of the world's top tennis players, but she's yet to reach the ultimate goal—winning a Grand Slam. She's done coming in second—both on and off the court. At least that was the plan until someone leaks risqué photos of her right as her ex Rob Ashton returns to the tennis scene. Rob's had nine years to regret letting Em go, and nothing is going to stand in the way of proving she's the only match he wants to win. Giving the man who makes her body melt another chance is tempting, but Em has to decide if letting Rob win her heart is worth risking her chance to win a Grand Slam.

**Criminal Law in Focus** Alex Kriet, 2021-09-15 Criminal Law in Focus (CLIF) provides an updated approach to the first-year criminal law casebook, with coverage and pedagogy that reflects modern criminal law practice. Alongside the traditional justificatory theories of punishment, the book considers punishment as a tool for social control, the rise of mass incarceration, and racial disparities in criminal enforcement. Using compelling cases that clearly articulate legal doctrine, this book covers core traditional offenses (like homicide and rape), as well as those that figure prominently in modern practice, but which have historically been absent from or deemphasized in the criminal law curriculum (like drug possession and property crimes). The Real Life Applications feature following each case poses a series of questions to spotlight important topics that might otherwise be overlooked, such as prosecutorial discretion and plea bargaining. Straightforward exposition helps students navigate their way around the differences and tensions between jurisdictional approaches to defining crimes and defenses. Features: CLIF goes beyond the traditional coverage of most casebooks, (which focus primarily on homicide offenses, rape, and (to a lesser extent) theft crimes). With expanded coverage of property offenses, an entire chapter on drug offenses, and coverage of contemporary issues (such as child pornography offenses and the public authority defense), CLIF reflects a wider, more inclusive perspective on criminal law today. Most criminal law casebooks place extended coverage of the elements of crime (*mens rea*, *actus reus*, and causation) at the front of the book, before covering individual criminal offenses—which requires students to grapple with these concepts in the abstract. By contrast, CLIF provides a brief, early introduction to the elements of crime (which can be covered in one class); it then pivots to an integrated discussion of specific criminal offenses and covers principles related to *mens rea*, *actus reus*, and causation in the

context of those offenses. Chapter 10 also covers the interpretation of criminal statutes. At 550 pages, CLIF is much shorter than most criminal law casebooks, even though it includes topics (e.g., drug crimes) that aren't covered in most criminal law casebooks. Professors and students will benefit from: Coverage of offenses that are either absent from, or deemphasized in, most other casebooks, CLIF helps professors to design a course that improves both bar-exam readiness and practice readiness. The inclusion of issues related to mass incarceration in the first chapter modernizes the traditional "purposes of punishment" material. CLIF retains coverage of justificatory theories of punishment, including the famous case of Dudley and Stephens; these theories aim to provide a morally defensible account of punishment and they are important. But they do not fully explain the reality of punishment in the United States today. By covering issues related to the rise of mass incarceration alongside the traditional theories of punishment, CLIF allows for a fuller discussion of the theory and reality of punishment. The book's innovative approach to covering the elements of crimes has a number of benefits. It is much more efficient, from a teaching perspective; it will afford professors time to cover other topics that they can't usually fit into the course (e.g., drug crimes and a more in-depth treatment of property offenses). Professors might spend 4 or 5 (or more) class sessions on the elements of crime before they can begin to cover individual offenses. This is not necessary: Most of these concepts are more effectively covered in the context of specific crimes (e.g., intent and mistakes of fact can both be introduced in the context of larceny; willful blindness can be addressed in the context of drug crimes). Then, after students have learned about these concepts in the context of individual offenses, the concepts can be tied together in 1 or 2 class sessions using the materials in Chapter 10. Covering difficult mens rea and actus reus concepts in depth before covering individual crimes (as most books do) often leaves students confused. They don't have enough context to appreciate how the difficult mens rea problems fit into criminal law doctrine, for example. The structure in CLIF teaches students the basics first. Once they have that foundation, they are better able to grapple with the more complex mens rea questions in Chapter 10. The traditional approach can be frustrating for faculty, as well. It is a bit like trying to teach someone about the broad structure of mathematics before they have learned basic arithmetic. The approach in CLIF more accurately reflects criminal law practice. In a real-world case, the prosecutor and defense do not argue about mens rea or actus reus in the abstract. Instead, the parties are focused on the elements of the specific crime(s) at issue. When difficult mens rea or actus reus questions arise in practice, it is in the context of the elements of a particular crime.

*Memory Road Trip* Krista Marson, 2021-09-07 MEMORY ROAD TRIP is a collection of travel stories ranging from the sublime to the surreal as recounted by a former travel agent who saw the world on the cheap. The journey down memory road is a heartfelt excursion into the past that takes armchair explorers on an odyssey of life, love, and loneliness. The circuitous path is full of philosophical nooks and crannies, and many stories get told from the bottom of a well. Many of Krista's stories speak to the angst that simmers inside all of us as we confront the many absurdities that exist in this world.

Her passion for nature, art, history, and architecture gush across the page, along with her contagious curiosity in life and her pragmatic acceptance of death. MEMORY ROAD TRIP is not only an adventurous journey to certain parts of the globe, but it is also an introspective and witty journey to the mysterious self. For as large as the world is, it has grown infinitely smaller, yet currently exists relatively out of reach. Travel, for the moment, is safer done mentally these days, so now's the time to go on a MEMORY ROAD TRIP with someone who knows the way.

**An Extraordinary Voyage for Hope** Dave Ryzen, 2012-04-04 A fantastical trek to foreign lands, filled with risk and uncertainty, isn't the typical prescription for a patient like Melissa McBride. The Good Afghan Kevin Maurer, 2022-07-19 A Special Forces soldier sacrifices everything to achieve one victory in America's forever war in Afghanistan. When Charlie, an American Special Forces soldier, finds out the Taliban is trying to sell a Soviet suitcase nuke to Al-Qaeda, he enlists his former interpreter-turned-contractor Ahmed Wali to help recover it. But Wali—one of the “good” Afghans—has his own problems. The first is with the local warlord, Jan, who is trying to drive him out of business; the second is with his uncle, Razaq, whose ties to the Taliban jeopardize his ability to work with the Americans. As Charlie and Wali—with the help of Felix, a morally fluid but pragmatic CIA officer—work to get the suitcase nuke off the battlefield, Air Force Tech Sgt. Canterbury starts to investigate Wali's business. Canterbury is convinced Wali is a bad guy and arrests him for working with the Taliban. The arrest sends the whole operation awry and forces Charlie and Felix to work in the moral gray areas in order to achieve their objectives. The Good Afghan is an exploration of identity, politics, and the story of the Afghan war and America's nation-building experiment gone wrong.

**Murder on the Texas Eagle** Serena B. Miller, 2013-05-30 In this tongue-in-cheek short story, Doreen Sizemore, an elderly and opinionated Kentucky woman who hasn't been outside of home town since her senior class trip, gathers her courage and boards the Texas Eagle train bound for her brother's home in Texas. **Presidential Leadership** Brent Taylor, Mindi Bach, 2020-07-07 From across history and across the aisle, the examples of twenty-one American presidents demonstrate how to inspire and unite in this leadership guide. Harry Truman once commented, In periods where there is no leadership, society stands still. In Presidential Leadership, Dr. Brent Taylor sets out a series of timeless leadership lessons drawn from presidential history. Pairing two presidents per chapter, Taylor explores the leadership skills they shared, and how we can apply them to our own lives. At a time when political tribalism is on the rise, Presidential Leadership demonstrates that we can learn important lessons even from those with whom we disagree.

From Lincoln and Nixon, to JFK and Obama, to Trump and Jackson, each chapter tells a story of courage under immense pressure, and a determination to lead American through the trials of history.

**Is This for Real?** Kathy Strobos,2022-01-11 An opposites-attract, friends-to-lovers, slow burn, fake-dating romantic comedy Love is all fun and games until somebody gets hurt. Usually, me. I admit it. I'm a relationship-recluse. Ironical, given that I write romantic comedies. So, I'm on a sabbatical from dating. Which is why fake dating my best friend, Rory, is fool-proof. Rory suggested it because he needed a date for work functions. And I can use our experiences as fodder for my romcom novel. Plus, my sister doesn't know it's not real, and she is thrilled that I'm not walling myself off emotionally. Her words, not mine. But I do wish she would stop saying that she always suspected there was something more between me and Rory. She should realize that we've been friends forever so I'm immune to his appeal. We would never work. Rory is such a romantic; he still believes in that perfect love similar to his parents' marriage. My parents fought bitterly. So, we are better off as friends. I can't risk losing our friendship, even if this might be my chance—before his ex-girlfriend wins him back. Those flickers of attraction? Easily extinguished by cold-water reality—like a two-mile hike in drenching rain over sand with wheelie luggage. But our relationship is not sticking to the plot—or is it? Add in one yummy romantic guy shanghaied for her romcom research. Layer in a history of genuine friendship on top of her recent heartbreak. Is this a recipe for true love or disaster? My Saigon: The Local Guide to Ho Chi Minh City, Vietnam Elly Thuy Nguyen,2024-01-21 Experience real Saigon: My Saigon 2024 Saigon (Ho Chi Minh City) offers bustling streets, amazing walks, too-hip-for-you cafes, rocking music clubs, luxurious salons, explosively delicious restaurants, and indoor cat zoos. Saigon is Vietnam. It's young, practical, crowded, and a little bit brash. Most visitors to Saigon see the same boring "attractions": boring restaurants, tourist-trap markets, and War propaganda. Saigon has so much more to experience than tourists see. My Saigon gives you the insider track: the most amazing experiences, the cultural backstories, the practical go-to tips, the best coffee, the best food (far beyond pho and banh mi), the best hangouts, the coolest stuff, and hipsters, hipsters everywhere. Details about 90-day and multi-entry

electronic visas to Vietnam (new as of August, 2023). Big-picture navigation. History your tour guides aren't allowed to mention. Good hotels for cheap, without hostels, bedbugs, and weird smells. Get mobile data up and running without being scammed. The best pho in Saigon: no, it's not the one in the backpacker district. Awesome, authentic, cheap restaurants where my friends and I eat -- and Tripadvisor has no clue about. Coffee. Did someone say coffee? 1930s coffee, street coffee, specialty coffee, all kinds of coffee: I'll tell you where. Hang out with Vietnamese people, munch on dried squid, listen to Viet Pop (if you dare). Make cool friends, date guys or girls, whatever flag you might fly. Bust out with Saigonese slang to make your new friends laugh. Watch out for Saigon's mafia: they run the streets, and they don't announce themselves. Don't unintentionally offend people by wearing a popular tourist souvenir t-shirt. You definitely shouldn't give money to beggars and street kids. Avoiding taxi scams in Saigon is so easy, but most tourists refuse to learn. My Saigon is a guide, a love confessional, an instruction manual, and an ode to the city.
