The Carry-On Traveller Erin McNeaney,2016-03-28 Have you ever struggled with packing for a trip? You can't decide what you'll need, so you pack for every scenario and take far too much. You struggle to fit everything in your bag, you get stressed lugging it around, and you pay a fortune in airline luggage fees. The Carry-On Traveller will teach you not only how to lighten your load, but how to pack everything you need into a single carry-on-size bag. You can apply these strategies to any trip, whether you are travelling for a week or a year, to hot or cold climates, alone or with kids. By travelling carry-on only, you'll save time at airports, avoid wasting money on checked luggage fees (which are increasingly common), and reduce the stress of hauling bulky bags. It's not an all or nothing approach. Packing light is a learning process, and you might want to take it gradually. Even if you don't travel carry-on only on your next trip, this book will help you pack lighter.

Smart Packing for Today's Traveler Susan Foster,2004 Imagine travelling with all the right things without carrying five suitcases! Sound impossible? Globetrotter Susan Foster shares how-to secrets discovered during hundreds of business and pleasure trips. Learn to pack for every trip - for business or vacation, for men, women and children, for any place in the world; Discover how to dress for all seasons at any destination. Know which fabrics and styles are comfortable and packable; Find out which type of luggage works for each trip, and the best packing methods for any bag. The revised and expanded edition answers all your planning and packing questions: How to travel light; Tips for increased airport security; When to check your bag and when to carry on; How to pack less to meet airline bag weight and size rules; Which clothing is best for a cruise; What and how to pack for adventure trips or sports vacations; Information on packing toiletries, cosmetics, electrical appliances, and the best in travel gadgets; Plus critical information on travel health and safety.
