Renovation of Love Meka James,2021 Her return could be a second chance to repair a first love... Forty-three and jobless, Cynthia Marshall finds herself in the last place she'd expected, back home on Madison Island, GA. Her small hometown holds the ghosts of choices past. From the large Victorian she inherited from her beloved aunt, to unresolved family issues, and the boy turned man she left behind over two decades ago. Starting a new career is hard enough but having to do so side by side with a person whose heart she broke is something she never accounted for. Marcel Lewis is the owner of the only construction company on the island and is the key to making Cynthia's new dream a reality. He never quite got over the abrupt departure of the first woman he ever loved. Her return means he can finally get answers to the whys and what-ifs that have plagued him. Years have passed, feelings have remained, but some wounds have yet to heal. The more time they spend together, the walls of the old house aren't the only ones tumbling down. But they can't construct a future without answering for decisions of the past.
