## Fodor's Travel Guides

**Dear Nolita** Wesley Hawkins, 2019-09-21 The Stunning Story of Our Neighbors Welcome to the meanest streets in America. Where Wesley Hawkins grew up, abandoned buildings were called abandominiums. More families lived in these burned-out houses without utilities than could afford rent or running water. Neighbors shared electricity by running extension cords out of their windows, and anyone had anything, shared. But it wasn't all tales of heartwarming community. In such extreme poverty, drugs were the only way out. Whether you were using them - like Hawkins' mother, whose heartbreaking story inspired his mentorship work - or selling them, like Hawkins was by the age of eleven in order to help feed his brothers and sisters. Some of you readers know exactly the America that Wesley Hawkins grew up in. You know it because you live there too. The most surprising part of this story, for you, might be the triumph through which Hawkins got out of the drug game and dedicated his life to helping other kids succeed and move up in the world while avoiding the drugs that destroyed his family, and killed his mother and her husband. Hawkins hopes his story will show you new worlds that are possible for you. Other readers may be more shocked by the true stories of tragedy contained in these pages - the sexual abuse suffered by Hawkins' grandmother and his mother, the abuse of children in underground fighting rings, and the deaths of his mother and her husband from drug-related causes. Hawkins hopes this book might change the way you see your neighbors, and those laws which show little regard for their well-being. Hawkins' non-profit, The Nolita Project, seeks to show youth raised in poverty that a better future really is possible for them. The Nolita Project provides mentorship, supportive relationships, tutoring, classes, and other services to kids from neighborhoods like the ones Hawkins himself grew up in. Read this book, and visit [DearNolita.org](http://DearNolita.org), to find out how you can help.

**Little White Doves Of Love** Barbara Cartland, 2015-01-01 Demure and self-deprecating the beautiful young Nolita

Walford has been left all but penniless after the tragic death of both her parents in a coach crash and, envious of Nolita's unassuming beauty, her unsympathetic aunt, Lady Katherine, despatches her to work as Governess to Bettine, the eleven year old daughter of the Marquis of Sarle. Feeling frightened and apprehensive, Nolita says a tearful farewell to her favourite horse, Eros, and her beloved home where she has been so happy and sets off for an unknown and uncertain future. Nolita is dismayed to find that young Bettine is not only a Lady and heiress to her American grandfather's vast fortune but also a spoilt little madam who is almost uncontrollable. Miraculously, Nolita's love of horses and gentle humble approach wins over her pupil, to the astonishment of the Marquis, who regards Nolita with new respect and admiration. But just as Nolita has taken Bettine to her heart and lost her own to the handsome Marquis, a ruthless American gang kidnaps her and Bettine, threatening to kill them unless they receive a ransom of one million dollars. Now all hope of life - and of love - seems lost as Nolita sends out little white doves of prayer to the one man who can save them from a dreadful fate.

*PAYAK* Maria Nolita M. Banda, MD, 2013-11 Payak is a collection of narratives and reflections by a pious Christian that evolved from attending an ultra-Orthodox marriage ceremony in Chareidi Country, the invitation for which was under the aegis of a beautiful friendship with an American-Jewish family. Mystical insights accrued which led to the development of the thesis that durable peace in one's self, in one's locality, and in the world is achievable through vital piety, the mojo of which is humility. If every person, place, object, and event, no matter how unfamiliar or diverse, is encountered in a stance of openness and innocence, violence in all its permutations can be averted. Holding our differences in reverence can antecede religious literalism. Communication will be fluent even without words, appreciation of the dignity of fellow human beings in their local contexts will make cognizant similar needs and longings, good deeds will become the currency of piety, and every healthy goal will be possible with the audacity of faith.

Juan Bautista Plaza and Musical Nationalism in Venezuela Marie Elizabeth Labonville,2007-07-12 Juan Bautista Plaza (1898-1965) was one of the most important musicians in the history of Venezuela. In addition to composing in a variety of genres and styles, he was the leading figure in Venezuelan music education and musicology at a time when his compatriots were seeking to solidify their cultural identity. Plaza's compositions in the emerging nationalist style and his efforts to improve musical institutions in his home country parallel the work of contemporaneous Latin American musicians including Carlos ChÃavez of Mexico, Amadeo RoldÃn of Cuba, and Camargo Guarnieri of Brazil. Plaza's life and music are little studied, and Labonville's ambitious book is the first in English to be based on his extensive writings and compositions. As these and other documents show, Plaza filled numerous roles in Venezuela's musical infrastructure including researcher, performer, teacher, composer, promoter, critic, chapel master, and director of national culture. Labonville examines Plaza's many roles in an attempt to assess how the nationalist spirit affected art music culture in Venezuela, and what changes it brought to Venezuela's musical landscape.
