My Fashion Lookbook Jacky Bahbout,Cynthia Merhej,2012-10-02 Fresh, spontaneous, and aimed at budding young designers: how to create your own fashion collection Inspired by the hands-on, write-in, look-and-feel idea of a sketchbook, *My Fashion Lookbook* encourages children to think through, write up, and sketch out their own fashion ideas through a series of engaging questions and visual exercises. Here children follow the process of a real fashion designer to create their own collections. This includes finding inspiration; making a mood board; collecting examples; selecting colors and a defining silhouette; experimenting with fabrics, prints, and patterns; assembling a “lookbook” to show off the new creations; and organizing a runway show. Step by step, children sketch, collect, cut, and paste ideas into the book to build the designs for their own unique fashion collections.

Ode to the Dress Toyah Love, 2021-05-11 A dress (also known as a frock or a gown) is a garment traditionally worn by women or girls consisting of a skirt with an attached bodice (or a matching bodice giving the effect of a one-piece garment). It consists of a top piece that covers the torso and hangs down over the legs. A dress can be any one-piece garment containing a skirt of any length, and can be formal or casual. A dress can have sleeves, straps, or be held up with elastic around the chest, leaving the shoulders bare. Dresses also vary in color. The hemlines of dresses vary depending on modesty, weather, fashion or the personal taste of the wearer. Dresses are outer garments made up of a bodice and a skirt and can be made in one or more pieces. Dresses are generally suitable for both formal wear and casual wear in the West for women and girls. Historically, dresses could also include other items of clothing such as corsets, kirtles, partlets, petticoats, smocks, and stomachers.

The African Lookbook Catherine E. McKinley, 2021-02-09 Winner of the African Photobook of the Year Award A Choice Outstanding Title of the Year A USA Today Must-Read for Black History Month An NPR Goats and Soda Editors' Pick A BookRiot Favorite Nonfiction Book of the Year An unprecedented visual history of African women told in striking and subversive historical photographs-featuring an Introduction by Edwidge Danticat and a Foreword by Jacqueline Woodson. Most of us grew up with images of African women that were purely anthropological-bright displays of exotica where the deeper personhood seemed tucked away. Or they were chronicles of war and poverty-"poverty porn." But now, curator

Catherine E. McKinley draws on her extensive collection of historical and contemporary photos to present a visual history spanning a hundred-year arc (1870–1970) of what is among the earliest photography on the continent. These images tell a different story of African women: how deeply cosmopolitan and modern they are in their style; how they were able to reclaim the tools of the colonial oppression that threatened their selfhood and livelihoods. Featuring works by celebrated African masters, African studios of local legend, and anonymous artists, *The African Lookbook* captures the dignity, playfulness, austerity, grandeur, and fantasy-making of African women across centuries. McKinley also features photos by Europeans—most starkly, striking nudes—revealing the relationships between white men and the Black female sitters where, at best, a grave power imbalance lies. It's a bittersweet truth that when there is exploitation there can also be profound resistance expressed in unexpected ways—even if it's only in gazing back. These photos tell the story of how the sewing machine and the camera became powerful tools for women's self-expression, revealing a truly glorious display of everyday beauty.

The Lady Di Look Book Eloise Moran, 2022-07-19 Through a rich and beautiful series of images, British fashion journalist Eloise Moran decodes Princess Diana's outfits in this smart visual psychobiography of an icon. From the pink gingham pants and pastel-yellow overalls of a sacrificial lamb, to the sexy Versace revenge dresses, power suits, and bicycle shorts of a free woman, British fashion journalist Eloise Moran has studied thousands of pictures of Princess Diana. She soon discovered that behind each outfit lay a carefully crafted strategy: What Lady Di couldn't express verbally, she expressed through her clothes. Diana's most show-stopping—and poignant—outfits are all here in *The Lady Di Look Book*, incisively decoded. Moran sees things no one has before: Why, for example, did Diana have a rotating collection of message sweatshirts? Was she mad for plaid, or did the tartan have a deeper meaning? What about her love of costume jewelry on top of the tiaras and oval sapphire engagement ring? With new interviews from some of the people who dressed Diana, Moran's book is both a record of what Diana wore and why she wore it—and why we are still obsessed with Lady Di. From 1980s Sloane Ranger cottagecore Diana, to athleisure and Dynasty Di Diana, *The Lady Di Look Book* is both compulsively delightful and a full biography of the world's most beloved royal.

Create Your Own Lookbook Cynthia Rehbein, 2019-11-30 Are you tired of having a wardrobe full of clothes but nothing to wear? Do you feel like the fashion advice out there doesn't pertain to your life or your lifestyle? Are you looking for a minimalist approach to your style and your wardrobe without losing your sense of self? If you answered yes to any of these questions, this book is for you! Create your own Lookbook was inspired by my own personal style journey and what I learned along the way. Most of my life I was frustrated that I could not find a workable wardrobe that was perfect for me and my lifestyle even though I had the resources and the closet space to do so. I, like many, found myself with a closet stuffed with clothes and yet I felt as though I had nothing to wear. I read, absorbed and devoured as much of the style advice as I could only to become increasingly discontented. Eventually, I was able to develop the confidence to trust myself and what I have

learned along the way. I wrote Create Your Own Lookbook to encourage you to do the same. I was motivated by what fashion designers do season after season. They create a lookbook of curated outfits that showcase their brand identity. We all have our own unique and individual style identity but do not trust in our ability to empower ourselves to develop our own lookbook. I hope to show you how to do this for yourself! I did not want to start from scratch and toss out all that I owned but needed to figure out where to start and how to move forward year after year in creating and curating my own style. It turns out that it isn't that complicated and it's just a click away. Enjoy!
