you have a love potion. Everyone knows love potions don't really work. But Cleo got one as a gift. And it would be crazy not to at least try it . . . right? The plan is simple: make Cleo's ex-best friend Samantha and her (secret) crush Larry fall in love. If it works, Sam will be so happy, she'll want to be Cleo's friend again! But when Sam gets suspicious, only Larry drinks the love potion. And now suddenly Larry is in love with . . . Cleo? And then it gets worse. Cleo's dad drank the other glass of punch, and suddenly he's in love with Samantha's mom. Which would have been really cool when Cleo and Sam were still friends . . . but now that they're frenemies? Disaster! Is there a potion to make everything go back to normal? Fans of Sarah Mlynowski, Lauren Myracle, and Wendy Mass will love this fresh contemporary story with just a touch of magic.

Hard Checked Stacey Lynn ,2020-09-15 Getting served divorce papers was not how I planned spending New Year's Day. I probably shouldn't have gone to my favorite bar and gotten wasted trying to drown my sorrows. I definitely shouldn't have spent the night passed out in the bed of the bartender's daughter, Gigi. And the absolute last thing I should have done was let my guard down and start having fun. Now I'm thinking of her all the time... fantasizing about the things I want to do to Gigi. I'm in the middle of the best hockey season of my life. I need my head in the game and my focus on the playoffs - not playing house with the gorgeous bartender who makes me feel more alive than I have in years. Finding someone new so soon after a failed marriage isn't the smartest thing I've ever done. But it just might be too late. I've been checked hard into the boards, right off my skates, and I'm not only spinning out of control... I might just be falling in love all over again.
