The Garment-Making Book of Knowledge Barbara Emodi,2018-05-01 Experienced sewing instructor and blogger Barbara Emodi shares her sewing wisdom to help readers get started, get started back up, or hone their existing garment-sewing skills. Not a sewing reference book as much as a book of experience, this is a book that will make a novice sewist say, "Oh, so that's why you do that," make a practiced sewist think, "Now that's a neat trick," and make a very experienced sewist smile and say, "That is sooo true!" Man with a Blue Scarf: On Sitting for a Portrait by Lucian Freud Martin Gayford,2013-09-09 "An extraordinary record of a great artist in his studio, it also describes what it feels like to be transformed into a work of art." —ARTnews Lucian Freud (1922-2011), widely regarded as the greatest figurative painter of our time, spent seven months painting a

portrait of the art critic Martin Gayford. The daily narrative of their encounters takes the reader into that most private place, the artist's studio, and to the heart of the working methods of this modern master—both technical and subtly psychological. From this emerges an understanding of what a portrait is, but something else is also created: a portrait, in words, of Freud himself. This is not a biography, but a series of close-ups: the artist at work and in conversation at restaurants, in taxis, and in his studio. It takes one into the company of the painter for whom Picasso, Giacometti, and Francis Bacon were friends and contemporaries, as were writers such as George Orwell and W. H. Auden. The book is illustrated with many of Lucian Freud's other works, telling photographs taken by David Dawson of Freud in his studio, and images by such great artists of the past as van Gogh and Titian who are discussed by Freud and Gayford. Full of wry observations, the book reveals the inside story of how it feels to pose for a remarkable artist and become a work of art.

Midnight in the Garden of Good and Evil John Berendt, 1994-01-13 NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author “Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.”—The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the “soul of pampered self-absorption”; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

The Fingerprint U. S. Department Justice, 2014-08-02 The idea of The Fingerprint Sourcebook originated during a meeting in April 2002. Individuals representing the fingerprint, academic, and scientific communities met in Chicago, Illinois, for a day and a half to discuss the state of fingerprint identification with a view toward the challenges raised by Daubert issues. The meeting was a joint project between the International Association for Identification (IAI) and West Virginia

University (WVU). One recommendation that came out of that meeting was a suggestion to create a sourcebook for friction ridge examiners, that is, a single source of researched information regarding the subject. This sourcebook would provide educational, training, and research information for the international scientific community.

The Mass Ornament Siegfried Kracauer,1995 The Mass Ornament today remains a refreshing tribute to popular culture, and its impressively interdisciplinary writings continue to shed light not only on Kracauer's later work but also on the ideas of the Frankfurt School, the genealogy of film theory and cultural studies, Weimar cultural politics, and, not least, the exigencies of intellectual exile.

My Sister's Keeper Jodi Picoult,2009-05-19 Anna is not sick, but she might as well be. By age 13, she has undergone countless surgeries, transfusions, and shots so that her older sister Kate can somehow fight the leukemia that has plagued her since childhood.
