Home Stories Kim Leggett, 2021-02-23 Learn how to create rooms filled with warmth, meaning, and your own unique story of home Kim Leggett's first book, *City Farmhouse Style*, was a big hit. Now Kim is back with the welcoming interiors her fans crave and a no-rules approach that is all about using what you love to create rooms that tell your personal story. Everyone has a story worth telling, and every room can become part of that story—whether you decorate it with heirlooms, flea market finds, simple mementos, or a mix. In *Home Stories*, Leggett shows readers how to use all these treasures to design very special rooms filled with interest and meaning. She begins by asking readers what it is that attracts them to a certain piece: “Thinking hard about what really speaks to you, and then using it as the basis for design, is the secret behind all of the best, most interesting rooms.” Each chapter presents fascinating spaces and the stories behind the accessories, furnishings, and mementos that fill them. There are plenty of projects, too, plus practical design guidance and design inspiration for refreshing decor as the seasons change.

Inspire Your Home Farah Merhi, 2019-10-22 Instagram star and founder of Inspire Me! Home Décor shares her creative and elegant interior design secrets so you can create a glamorous yet cozy home without spending a fortune. Farah Merhi launched Inspire Me! Home Decor in 2012 as a creative outlet during a transitional time in her life. Farah was about to graduate college and planned to attend law school. Going through the motions and feeling unfulfilled in her career choice, she built up the courage to face her truth. Taking time off to figure herself out, Farah, through a remodel project in her home, had her “ah-ha” moment. The importance of taking care of your home, specifically in the way you clean, organize, and design, was instilled in her at a young age, but she didn't realize how much of an impact her upbringing had until she owned her own home. Farah knew she had found her passion and calling, and was determined to inspire home owners to live their best lives in their homes. Farah believes that taking care of your home is essential to your peace of mind. Her design style is elegant and glamorous but infused with warmth and coziness, creating a welcoming feel with neutral color palettes, soft and inviting fabrics, and exquisite design details that can work in any room. She believes you can make a statement without sacrificing an inviting feel to your rooms. There is no right and wrong when it comes to designing your home and Farah encourages you to focus on the overall look and feel you desire, and her tips and advice will help guide you through the process. Starting with her most frequently asked questions about paint color versus wallpaper, lighting and rugs, home organization, and of course styling, Farah walks you through every room in the house from the mudroom to the kitchen and kids' bedrooms. Along the way, she includes quick seasonal updates on a budget, suggested routines for maintaining your space, and her unique reward system, which includes small styling vignettes around your home. Woven throughout are Farah's personal stories that will feel like you're getting design advice from a close friend. Everyone deserves to walk into a beautifully decorated home every day—now you can, with the inspiration and practical tips in *Inspire Your Home*.
