Savvy Sheldon Feels Good as Hell Taj McCoy, 2022-03-22 A sexy romance about a plus-size sweetheart who gets a full-life makeover after a brutal breakup and falls for the incredibly hot contractor renovating her home. Savvy Sheldon spends a lot of time tiptoeing around the cracks in her life: her high-stress and low-thanks job, her clueless boyfriend and the falling-apart kitchen she inherited from her beloved grandma—who taught her how to cook and how to love people by feeding them. But when Savvy's world starts to crash down around her, she knows it's time for some renovations. Starting from the outside in, Savvy tackles her crumbling kitchen, her relationship with her body, her work-life balance (or lack thereof) and, last but not least, her love life. The only thing that doesn't seem to require effort is her ride-or-die squad of friends. But as any home-reno-show junkie can tell you, something always falls apart during renovations. First, Savvy passes out during hot yoga. Then it turns out that the contractor she hires is the same sexy stranger she unintentionally offended by judging based on appearances. Worst of all, Savvy can't seem to go anywhere without tripping over her ex and his latest upgrade. Savvy begins to realize that maybe she should've started her renovations the other way around: beginning with how she sees herself before building a love that lasts. A heartfelt, hopeful, and humorous exploration of the importance of learning to love yourself...a joy to read." -Booklist, STARRED review

Starred Review A heart-pounding, curvy romance about an indie bookstore owner who finds herself in a love triangle when she meets the author she's had a crush on for years...and his best friend. Zora has committed every inch of her life to establishing her thriving DC bookstore, making it into a pillar of the community, and she just hasn't had time for romance. But when a mystery author she's been crushing on for years agrees to have an event at her store, she starts to rethink her priorities. Lawrence is every bit as charming as she imagined, even if his understanding of his own books seems just a bit shallow. When he asks her out after his reading, she's almost elated enough to forget about the grumpy guy who sat next to her making snide comments all evening. Apparently the grouch is Lawrence's best friend, Reid, but she can't imagine what kind of friendship that must be. They couldn't be more different. But as she starts seeing Lawrence, and spending more and more time with Reid, Zora finds first impressions can be deceiving. Reid is smart and thoughtful—he's also interested. After years of avoiding dating, she suddenly has two handsome men competing for her affection. But even as she struggles to choose between them, she can't shake the feeling that they're both hiding something—a mystery she's determined to solve before she can find her HEA.
