**Idol** Kristen Callihan,2016-06-07 Libby I found Killian drunk and sprawled out on my lawn like some lost prince. With the face of a god and the arrogance to match, the pest won't leave. Sexy, charming, and just a little bit dirty, he's slowly wearing me down, making me crave more. He could be mine if I dare to claim him. Problem is, the world thinks he's theirs. How do you keep an idol when everyone is intent on taking him away? Killian As lead singer for the biggest rock band in the world, I lived a life of dreams. It all fell apart with one fateful decision. Now everything is in shambles. Until Liberty. She's grouchy, a recluse —and kind of cute. Scratch that. When I get my hands on her, she is scorching hot and more addictive than all the fans who've screamed my name. The world is clamoring for me to get back on stage, but I'm not willing to leave her. I've got to find a way to coax the hermit from her shell and keep her with me. Because, with Libby, everything has changed. Everything.

**VIP Lounge** Ed Decter,2009-12-22 Chloe Gamble is the hottest thing in Hollywood. But it's only pretty from the outside. Travis was supposed to have Chloe's back. But the spotlight of fame is very seductive. Nika's the secret behind Chloe's success. But she's got an agenda of her own. Let the games begin.

**VIP** Jackie D,2021-07-13 Audrey Knox has been America's Sweetheart since she appeared in her first film at sixteen. Never one for a scandal, she's lived a predictable and well-manicured life. With each movie more successful than the last, she has the world at her fingertips. An undeniable connection with bad girl superstar Harlow Thorne was never in her plan. Harlow Thorne left her childhood trailer park with nothing but her guitar and twin brother. Those times are nothing but a distant memory now, and she's consistently at the top of the pop music world. She has managed to keep her mother in her rearview mirror through all her success, but that all changes when her mother reappears with a family secret. Together these two could conquer the world—but in a town where careers are made and broken by the press, the secrets and lies may be too much to overcome.

**Managed** Kristen Callihan,2016-11-14 It started off as a battle of wits. Me: the ordinary girl with a big mouth against Him: the sexy bastard with a big...ego. I thought I'd hit the jackpot when I was upgraded to first class on my flight to London. That is until HE sat next to me. Gabriel Scott: handsome as sin, cold as ice. Nothing and no one gets to him. Ever. He's a legend in his own right, the manager of the biggest rock band in the world, and an arrogant ass who looks down his nose at

me. I thought I'd give him hell for one, long flight. I didn't expect to like him. I didn't expect to want him. But the biggest surprise? He wants me too. Only in a way I didn't see coming. If I accept his proposal, I leave myself open to falling for the one man I can't manage. But I'm tempted to say yes. Because the real man beneath those perfect suits and that cool façade just might be the best thing that's ever happened to me. And I just might be the only one who can melt the ice around his heart. Let the battle begin...

**Exposed** Kristen Callihan, 2021-07-13 Brenna There are some people in life who know exactly how to push your buttons. For me, it's Rye Peterson. We can't spend more than ten minutes together before we're at each other's throats, which makes working together that much harder. Rye is the bassist for Kill John, the biggest rock band in the world, and I am his publicist. It doesn't help that the man is gorgeous, funny, talented, and...never takes anything seriously. Avoidance is key. But everything changes when he overhears something he shouldn't: a confession made in a moment of weakness. Now the man I've tried so hard to ignore is offering me the greatest temptation of all—him. Rye Brenna James is the one. The one I can't have. The one I can't get out of my mind. Believe me, I've tried; the woman loathes me. I managed well enough—until I heard her say she's as lonely as I am. That she needed to be touched, held, satisfied. And I could no longer deny the truth: I wanted to be the one to give her what she craved. I convinced her that it would just be sex, mutual satisfaction with nothing deeper. But the moment I have her, she becomes my world. I've never given her a good reason to trust me before. Now, I've got to show Brenna that we're so much better together than we ever were apart. Things are going to get messy. But getting messy with Brenna is what I do best.

**Scandal in the VIP Suite** Nadine Gonzalez, 2021-01-01 "I loved this story! The setting is well described, the opulence and sunny tropical locale of Miami's Ocean Drive and the boutique Sand Castle hotel sound inviting and luxurious...I'm looking forward to reading more from this author!" —Harlequin Junkie, a HJ Top Pick with 5 stars! Two strangers. One bed. And a kiss as scorching as the Miami heat! When Nina Taylor peeks into the luxury hotel suite that should have been hers, she's caught by the room's occupant, Julian Knight. The Hollywood bad boy quickly offers a compromise: why not share? Soon, the paparazzi is jumping to scandalous conclusions—and Julian and Nina share an incredible kiss. Good thing they're only booked for a week...because, boy, is she in trouble! From Harlequin Desire: Luxury, scandal, desire—welcome to the lives of the American elite. Miami Famous Book 1: Scandal in the VIP Suite

**Pretty Girls in the VIP** Daaimah S. Poole, 2014-01-28 Adrienne, Shanice and Zakiya are determined to ride their rich men's successes to the very top. Original.

*Adventures of a VIP* Vivian McDermott, 2022-11-11 When a doctor diagnoses Diana with retinitis pigmentosa at age fifty-six, her life comes into focus. For years Diana has gone through her days stumbling over things, struggling to find matching outfits and getting into figurative and literal scrapes. Since optometrists assured her that her prescription was correct, Diana

had no choice but to conclude she was just clumsy and oblivious. Then another doctor said the good news was that she didn't have a brain tumor and the bad news was that she did have a lifelong degenerative eye disease that would result in blindness. Suddenly Diana was faced with reconciling her emotions from the past while figuring out how to cope with the uncertainty of the future.

**VIP** Virgil Partch, 2013-11-16 Only a few months after the devastating attack on Pearl Harbor and the same year that Albert Camus offered the world his bleak vision of man's existence by introducing his philosophical dictum of The Absurd, Virgil Partch burst onto the scene with his own twist on the phrase. Partch was a cartoonist who offered comic counterpoint to the grim headlines and a unique perspective on human nature in the pages of the nation's most popular magazines. Known to millions by his jazzy signature, VIP, this comic genius ushered in a new era of the gag cartoon—zany, sometimes surreal, always hilarious—that inspired a generation of fellow cartoonists starting in the 1940s and '50s. His madcap style of humor was reflected in the cutting-edge comedic sensibilities of Burns & Allen, Jack Benny, Ernie Kovacs, Bob & Ray, Stan Freberg, and Jean Shepherd, and would position Partch as one of the most prolific “gag-men” of his day. VIP contributed to an astonishing array of magazines, wrote gags for other cartoonists, illustrated books, album covers, and advertisements, and adorned merchandise including, appropriately, cocktail glasses. VIP: The Mad World of Virgil Partch is the first time Partch's life and career has been treated in full, collecting amazing artwork from the entire range of his inspired career and featuring his own writings.

Fall Kristen Callihan, 2018-10-23 The first time I met Jax Blackwood things went a little sideways. In my defense, I didn't know he was Jax Blackwood—who expects a legendary rock star to be shopping for groceries? More importantly, a blizzard was coming and he was about to grab the last carton of mint-chocolate chip. Still, I might have walked away, but then he smugly dared me to try and take the coveted ice cream. So I kissed him. And distracted that mint-chip right out of his hands. Okay, it was a dirty move, but desperate times and all that. Besides, I never expected he'd be my new neighbor. An annoying neighbor who takes great pleasure in reminding me that I owe him ice cream but would happily accept more kisses as payment. An irresistible neighbor who keeps me up while playing guitar naked—spectacularly naked—in his living room. Clearly, avoidance is key. Except nothing about Jax is easy to ignore—not the way he makes me laugh, or that his particular brand of darkness matches mine, or how one look from him melts me faster than butter under a hot sun. Neither of us believes in love or forever. Yet we're quickly becoming each other's addiction. But we could be more. We could be everything. All we have to do is trust enough to fall

**VIP** O. S. Hawkins, 2016-03-08 The Bible says that God has “assigned to you an area of influence” (2 Corinthians 10:13). The question is what will you do with it? In his newest book VIP, O.S. Hawkins takes readers through what it takes to create a life of Vision, Influence, and Purpose. Through inspirational stories, biblical examples, and charged challenges towards

greatness, O.S. Hawkins illuminates a path for you to uncover what it is going to take for you to become a VIP. Following the great success of his books *The Joshua Code* and *The James Code*, VIP is the next step on your journey toward the life God has for you.

**VIP: I'm With the Band** Jen Calonita, 2015-12-01 Twelve-year-old Mackenzie Mac Lowell's dreams have come true. Thanks to her mom scoring the coolest job EVER, Mac is going from boy band fanatic to official tour member of her favorite group, Perfect Storm. Good thing she's brought along her journal so she can record every moment, every breath, and every one of lead singer Zander Welling's killer smiles in written detail and daydreamy doodles. But between a zillion tour stops and pranks gone wrong, Zander and his fellow band members, Heath Holland and Kyle Beyer, become more like brothers to Mac. When the boys' differences start to drive them apart, can Perfect Storm's biggest fan remind them why they're perfect together? It'll be up to Mac--and her comic-book alter ego, Mac Attack--to keep the band together and on the road to stardom. Chronicling her experiences on tour, Mac's journal springs to life with black-and-white illustrations and comic-book panels throughout its pages.

Vip M. Robinson, 2013-12-08 32 year old Sebastian Vanwell, was a very successful yacht broker, who always loved the design and architecture of a luxurious boat. His only addiction was being on the water. He loved it, he thrived on it, and he needed it in his life. After a very stable, loving childhood with only a few bumps, Sebastian married the love of his life. The one person that he knew would always be there. Julia was his rock, and he loved her more than life itself. Sebastian kept his addiction to the water under control, wanting to keep his time with his wife and son his number one obsession, that was until he saw her. This new addiction haunted him, the one compulsion that he couldn't control no matter how hard he tried. Ysabelle Telle hit him hard, knocking the wind from his lungs. Coming from worlds apart, beautiful, dark complexion Ysabelle Telle didn't have the rich, protected background that Sebastian Vanwell had. Ysabelle lived a life of hell, in poverty, growing up with a drug addict mother that never cared, and horrific living conditions. Ysabelle lived for one person and one person only; herself. She was pure perfection, her beauty along with a flawless body had men lined up, driving over her insuring her success as a VIP. There are too many words that describe the effects when two diverse worlds like theirs collide. They both have too much to lose to get caught in the forceful pull, which could destroy them both. Warning sex/drugs/language. Mature readers only.
