Not Just Any Dress Sandra Weber, Claudia Mitchell, 2004 If dresses could talk, what stories might they tell? This compelling collection of short stories, essays, and poems features dress as the structural grounding for autobiographical accounts from women's lives in Western society. Often personal in nature, these «dress stories» point unfailingly to matters of social and cultural import. Some of the dresses described inhabit the popular imagination: the little girl dress, the communion dress, the school uniform, the prom dress, the wedding dress, the little black dress, and the burial dress. Beyond the semiotic, tactile, and visual aspects of the dresses themselves, the narratives delve into what dresses reveal about fundamental aspects of human experience: identity, embodiment, relationship, and mortality. Bought or made, then worn, forgotten, remembered, re-constructed, and re-interpreted, each dress offers a new glimpse into how we construct meaning in our daily lives, and how dresses serve to reinforce or resist social structures and cultural expectations.

Fancy Dresses Described; Or, What to Wear at Fancy Balls Ardern Holt, 1896

Dreaming of Dior Charlotte Smith, 2010-04-13 Charlotte Smith had already had more than her fair share of fabulous dresses and adventures. She lived life to the fullest in London, Paris and New York before falling in love with Australia and making it her home. Then she discovered that she had inherited a priceless vintage clothing collection from her American Quaker godmother, Doris Darnell. When the boxes started arriving, they were filled with more than three thousand pieces dating from 1790 to 1995, from Dior and Chanel originals to a dainty pioneer dress. But when she unearthed her godmother's book of stories, the true value of what she had been given hit home. This wasn't merely a collection of beautiful things; it was a collection of lives. Women's lives. Tiny snapshots of our joys and disappointments, our entrances and exits, triumphant and tragic. This is a book for any woman who knows a dress can hold a lifetime of memories.

Designing in Ivory and White Suzanne Perron, 2012-03-12 The name Suzanne Perron is synonymous with exquisite detail. Her expertly tailored gowns -- worn at the elaborate balls of Mardi Gras and down the aisle at New Orleans weddings -- draw from the legacy of couture design. After years working alongside Vera Wang, Carolina Herrera, Anna Sui, and Ralph Rucci in New York, Louisiana native Perron returned home in 2005 to open her own custom design business, specializing in once-in-a-lifetime gowns for brides, debutantes, and Mardi Gras royalty. *Designing in Ivory and White* captures the rise of this talented designer, from her first Singer sewing machine to her success on Seventh Avenue to her post-Katrina move to a city in need of something beautiful, as well as her design technique and meticulous craft. In addition to her personal story, Perron shares her process from the inside out, including: methods for creating crinolines and foundations; using draping and pattern making to transform a sketch into a three-dimensional form; manipulating fabric into pleats, pintucks, and folds; and hand sewing intricate beading, lace, embroidery, and flawless hems. Her techniques and breathtaking artistry are realized through a showcase of sixteen Suzanne Perron designs. Full-length and detail shots illustrate Perron's gorgeous silhouettes and masterful handwork. Each gown also has a story that illuminates the client experience from the first sketch to the final fitting. *Designing in Ivory and White* serves as a testament to the ambition and skill required to design unique dresses, and will provide inspiration for independent designers, sewing hobbyists, and all who admire couture fashion.
