Mackinac Island's Grand Hotel Mike Fornes,2021 A Michigan icon, Grand Hotel is in its third century as America's summer place. The ambiance of Mackinac Island combines with the hotel's ultimate level of hospitality, premier dining, and five-star guest experience for an unforgettable stop on any visitor's itinerary. The setting itself has been captured by Hollywood on film, relied upon by politicians and the business community for conferences, and explored by those seeking relaxation and top-notch amenities for everything from weddings to family vacations. Three generations of one family have cared for Grand Hotel for more than 85 years, inspecting each room before opening, planning constant off-season improvements, and greeting everyday guests with the same welcoming smiles and handshakes that presidents receive. Grand Hotel has been named a national historic landmark and is listed in the National Register of Historic Places.

Dress to Express Tracy McWilliams,2012-03-01 ?Why do some women exude confidence and look great in their clothes and others never feel good about how they look, no matter what they wear? And why do we claim we have “nothing to wear” when our closets are bursting with choices? Clothing and dressing anxiety — what Tracy McWilliams calls closet trauma — occurs because we lack a clear sense of self and we have not defined the image we wish to express.

The Women's Army Corps, 1945-1978 Bettie J. Morden, 1990 The Women's Army Corps makes a significant contribution to women's history and the history of the Army. Bettie J. Morden weaves the ideas and moral attitudes that existed in the middle decades of the twentieth century to chronicle thirty-three years of WAC history from V-J Day 1945 to 20 October 1978, when the Women's Army Corps was abolished by Public Law 95-584 and discontinued by Department of the Army General Order 20, with the WAC officers assimilated into the other branches of the Army (except the combat arms). For the most part taking a chronological approach, Morden focuses on the interaction of plans, decisions, and personalities that affected the WAC directors as they pushed and prodded the Army, the Department of Defense, and Congress to achieve Regular Army and Reserve status, military credit for Women's Army Auxiliary Corps service, and promotion above the grade of lieutenant colonel. The early WAC directors, according to Morden, had the task of fighting for progress and equity, whereas their successors fought a losing battle to keep entry standards high and to retain the corps' separate status. She provides readers with a comprehensive picture of WAC growth and development and the transformation in the status of Army women brought by the advent of the all-volunteer Army and the women's rights movement of the seventies.
