*Classic Speedsters* Ronald Sieber,2021-11 Classic Speedsters: The Cars, The Times, and The Characters Who Drove Them chronicles the most significant vehicles ever to have traveled American roads and racetracks. Speedsters were the pizzazz cars of their era. Speedsters were owned by entertainers, captains of industry, the wealthy, and in some cases, the everyday guy or gal. They were often expensive, but always fast and sexy. Speedsters were America's first sports cars.Each chapter frames the birth and evolution of a company that produced a speedster model in its lineup and includes a biography of a famous owner of the period. This book traces the journey of the speedster concept across several time periods and among twelve automotive companies. It answers three fundamental questions:· Why were these cars so important and influential?· Why did so many prominent people own them?· What message do they have for modern design?
